

**From Baca to Beulah
Jennie Smith**

Sequel to *The Valley of Baca*. This continues the personal account of Jennie Smith, who spent more than 20 years in pain, unable to walk, and most of the time confined to a cot or wheeled bed. In 1878, when she was 33 years old, she was almost instantly and completely healed. The author Pansy wrote a slightly fictionalized account of her in her book *Spun from Fact*. - Summary by TriciaG
